BOSTON'S LEGACY OF TRAIL BLAZERS

In November 2022 Governor Maura Healey became the first elected lesbian Governor in US history (along with Tina Kotek of Oregon the same year). Notable, the fact that she won by such a wide margin, as well as her support for LGBTQ+ tourism in Massachusetts.

SUSTAINABLE BOSTON

- Known as one of America's greenest cities – a leader in conservation
- Consistently ranked “Most Walkable” among top tier cities
- Birthplace of public transit in America, with the T subway system
- Sustainable food sourcing through producers such as Island Creek Oysters and Sienna Farms.

SUSTAINABLE BOSTON

Rose Kennedy Greenway

Located in the heart of Boston, the 17-acre contemporary public park runs 1.5 miles and welcomes millions of visitors each year.

Freedom Trail

One of the America's most historically significant landmarks, the 2.5-mile-long trail tours 17 revolutionary period landmarks.

Boston Common & Public Garden

Two separate but adjacent parks make up one of the most beloved green spaces in the US. Founded in 1634, the Common is America's oldest
